

# **HARDWOOD SEEDLINGS FOR REFORESTATION**

**from SuperTree Seedlings®**

**High productivity on short rotations**

**Potential planting on marginal lands**

**Multiple crops from a single planting  
(coppicing ability)**

**High bulk density and excellent fiber  
properties**

**Exceptional performance and yield**

With over 80 hardwood species for wetlands mitigation, mine reclamation and wildlife food and habitat, SuperTree Seedlings® is the leading seedling producer providing the highest quality reforestation stock.

ZENTNER  ZENTNER

*Land Planning and Restoration*

Success of environmental restoration projects is measured by their performance over time. That success is a direct reflection of the skill of the restoration team—and its ability to solve complex ecological and regulatory issues.

Over the last decade, Zentner and Zentner has managed over 500 restoration projects.

Our services include:

- Wetland Delineations
- Restoration and Mitigation Planning
- Biological Assessments
- Endangered Species: Section 7 and 2081 Approvals
- Regulatory Planning and Permitting
- Construction and Post Construction Monitoring

# NATIVE PLANTS

JOURNAL

Edited by Stephen Love

ISSN: 1522-8339, e-ISSN: 1548-4785, 3/year

*Native Plants Journal* is a forum for dispersing practical information about planting and growing North American (Canada, Mexico, and U.S.) native plants for conservation, restoration, reforestation, landscaping, highway corridors, and related uses. Topics include seed germination, planting techniques and tools, equipment, cultural techniques, production trends, seed collection, genetics, and fertilization. The second issue of each year includes the Native Plants Materials Directory, which provides information about producers of native plant materials in the U.S. and Canada. Relevant books are reviewed. Subscribers receive online access to all back issues. Volumes one through five are open access. See [npj.uwpress.org](http://npj.uwpress.org) for more information.

# Environment & Land Management Journals

## Ecological Restoration

The Original Restoration Publication

Edited by Steven N. Handel

ISSN: 1543-4060

e-ISSN: 1543-4079

Published 4 times per year

*Ecological Restoration* is a forum for people interested in all areas of ecological restoration. It features the technical and biological aspects of restoring landscapes, as well as emerging professional issues, the role of education, evolving theories of post-modern humans and their environment, land-use policy, the science of collaboration, and more. The quarterly publication offers peer-reviewed feature articles, short notes, and book reviews as well as abstracts of pertinent work published elsewhere.

### Special Issues:

*Climate Change & Restoration*, v. 27 #3

*Education and Outreach in Ecological*

*Restoration*, v. 28 #2

*Restoration in Mexico*,

v. 28 #3

## NATIVE PLANTS

JOURNAL

Edited by Stephen Love

ISSN 1522-8339

e-ISSN 1548-4785

Published 3 times per year

*Native Plants Journal* provides a forum for dispersing practical scientific information about planting and growing North American native plants for conservation, restoration, reforestation, and landscaping. Refereed research and general technical articles are blended to foster communication between researchers, academics, and field personnel. Topics include seed germination, planting techniques and equipment, cultural techniques, production trends, seed collection, genetics, and fertilization. Plant propagation protocols provide specific recommendations for growing. Relevant books are reviewed.

## Landscape Journal

Edited by Lance M. Neckar & David G. Pitt

ISSN 0277-2426

e-ISSN 1553-2704

Published 2 times per year

*Landscape Journal* offers in-depth exploration of ideas and challenges that are central to contemporary design, planning, and teaching. In publication for more than 25 years, *LJ* continues to be a valuable resource for academics and practitioners.

## LAND ECONOMICS

Edited by Daniel W. Bromley

ISSN: 0023-7639

e-ISSN: 1543-8325

Published 4 times per year

Established in 1925, *Land Economics* publishes innovative, conceptual, and empirical research on transportation, energy, urban and rural land use, housing, environmental quality, public utilities, and natural resources.

Online access to ALL  
back issues included with subscription

(*Land Economics* subscriptions include several years back content)

# Landscape Journal

The official journal of the Council of Educators in Landscape Architecture  
Edited by David G. Pitt and Daniel J. Nadenicek  
ISSN: 0277-2426, e-ISSN: 1553-2704, 2/year

The mission of landscape architecture is supported by research and theory in many fields. *Landscape Journal* offers in-depth exploration of ideas and challenges that are central to contemporary design, planning, and teaching. Besides scholarly features, *Landscape Journal* also includes editorial columns, creative work, reviews of books, conferences, technology, and exhibitions.

*Landscape Journal* digs deeper into the field by providing articles from:

- landscape architects
- planners
- ecologists
- geographers
- artists
- poets
- architects
- historians

In publication for more than 25 years, *Landscape Journal* continues to be a valuable resource for academics and practitioners. It is winner of the 2008 Honor Award in Communications from the American Society of Landscape Architects.

"[*Landscape Journal*'s] readership extends well beyond landscape architecture to embrace history, geography, the visual arts, and other place-based fields. It is one of the few journals that students, scholars, professionals, and teachers must read in order to remain current..." —George Thompson, Center for American Places

"A much needed forum of the profession...Outstanding quality in organization, content, format, and presentation." —American Society of Landscape Architects

## Special Issues:

Race, Space, and the Destabilization of Practice, vol. 26 #1  
The Manifesto in Landscape Architecture, vol. 26 #2  
Metropolitan Landscape Ecology, vol. 27 #1

The Scholarship of Transdisciplinary Action Research:  
Toward a New Paradigm for the Planning and Design  
Professions, vol. 30 #1  
Lawrence Halprin, vol. 31 #1–2
