Subject Index

- 2,4-D herbicide used on restoration of prairie 99
Abronia maritima 132
Abutilon theophrasti p. 62; 99
Acacia farnesiana endangered p. 80
Acer, control by girdling 51
A. platanoides 150
A. rubrum p. 12; understory species 115
Achillea millefolium, transplants 67
Actaea pachypoda, plants used in prairie construction 7
 Adirondack State Park, NY 77.2
 aesthetic research p. 4
 aesthetics of restoration p. 3
Agastache foeniculum, seed slow to establish 3
Agelaius phoeniceus 68
 AIBS meeting 93
Aleurites fordii, control of 14
 allelopathic from prairie plants 104.1
 alpine vegetation restoration 43, 85.2
 Alston Chase p. 18, p. 21
Ambrosia chamissonis broadcast seeded 132
 American Association for the Advancement of Science proceedings 44
American Chestnut Research 146
 American crocodile habitat restoration 21
 American Water Resources Association Conference 93
 Ammate used as woody species control 96
Amorpha canescens, cone-tainer seedlings 1; seed unsuccessful in restoration 3
Andropogon gerardi, seed used successfully in restoration, p. 62, p. 77; 3, 7, 66; grazing effects on 104.4
A. scoparius, seed used successfully in restoration, p. 77; 3, 7; seed used in soil test 5; effects of burning 94
Anemone cylindracea, seed used in soil test 5
 animals, restored on prairies p. 63
Antennaria neglecta seeds planted on burned plots p. 79
 antifertilization reduce weed growth 159
 Applied Ecological Services, WI 2
 Applied Lake and Watershed Management meeting 93
 aquatic communities 119-130
 arctic wetlands revegetation 125
Arctophila fulva 125
 Argentinian Chaco, restoration of p. 76
 Argonne National Laboratory, IL p. 63
 arid lands restoration 44.4, 44.5
Artemisia campestris, seed used in soil test 5; *tridentata* 139
A. pycnocephala, transplants 67
 artificial soil compaction, as weed control 1
 artificial wetland for acid mine drainage 22
Asarum canadense, plants used in prairie construction 7
Asclepias tuberosa, seed unsuccessful in restoration 3, 7; seeds used on burned plots p. 79
 association of environmental restorationists p. 57

- Aster azureus*, seed used in prairie construction 7
- A. ericoides*, seeds used in soil test 5; plants used in woodland construction 7
- A. laevis*, seeds used in soil test 5
- A. linearifolius* seed planted on burned plot p. 79; 94
- A. oblongifolia*, seed used in soil test 5
- A. ptarmicoides*, seed used in soil test 5
- Atriplex canescens* 139, 164; *lentiformis* 139; *polycarpa* 139
- Audubon p. 7
- authenticity of restored wetlands 27, 28
- autumn olive used as nesting site 68
- Baccharis neglecta* as pest species p. 80
- Baccharis pilularis*, transplants 67, 124
- backcountry recreation site management 76, 79
- bald cypress regeneration strategies 117.4
- Baltic Sea restoration p. 76
- Baptisia leucantha* p. 62
- B. tinctoria*, effects of burn on 94
- Barbarea vulgaris* p. 62
- beach vegetation 37.4
- beaver, effects on plants 77.2
- Betula sandbergii* 119
- Betz, Dr. Robert F. p. 60, p. 68
- bibliography, site management of backcountry areas 76
- bibliography on aquatic plants 130
- biodiversity, national forum on 70
- Bioengineering for Land Reclamation and Conservation* 163
- Biotechnical Slope Protection and Erosion Control meeting 93
- birds, habitat endangered 95
- black cherry used as nesting site 68
- black oak savanna restoration 96
- black raspberry as pest p. 62
- Blenz, David p. 60
- bluebird, effects of burning on nesting 73
- Bluestem Prairie Nursery, IL 5
- Bonnicksen, Tom p. 20
- Bouteloua curtipendula*, seed used in restoration 3, 8; seed used in soil test 5
- B. gracilis* competition 104.5; effects of grazing on 104.5
- brackish pond, creation of 123
- Bradley method of strategic handweeding 91
- Brickellia eupatorioides*, seed used in soil test 5
- Bridging the Gap Between Science, Regulation, and the Surface Mining Operation*, proceedings 59-3
- Brinck, P. p. 76
- broadcast seeding p. 69; 1, 2, 3, 5, 8, 13, 56, 67
- Bromus inermis* p. 62; dominated seedbed 1
- B. kalmii* p. 66
- Buchloe dactyloides* 104.5
- Budapest environmental rehabilitation symposium p. 76
- bunchgrass prairie survey in California 102
- burning, effect on nesting sites 73
- burning as tung management technique 14
- burning as sweet clover management technique 4
- burning used in woody species control 101
- burning as a management tool p. 79; 65, 73, 87, 94, 97, 101, 104.2-3, 119, 144
- butterfly habitat restoration 38
- C4 grasses and competition 104.5
- Cakile maritima* as pest species 132
- Calamagrostis canadensis* p. 62; 119
- Calendula officinalis*, used on landfill restoration 56
- California Salmon and Steelhead Restoration Conference 36
- California State Coastal Conservancy 69
- Callophrys mossii bayensis* 38
- Calopogon tuberosus* 47
- Caltha palustris*, as successful transplant 29
- Calypso bulbosa* 48
- Camissonia cheiranthifolia* 132
- Campsis radicans*, as successful transplant 29
- Canadian Land Reclamation Association conference 174
- Cape Hatteras National Seashore, CA 131
- Carex* sods used in prairie restoration 8
- Carex pensylvanica* seen after burn 94
- C. stricta* 119
- Carya*, control by girdling 51
- cattail control methods 88
- Ceanothus*, role in forest ecosystems 15
- Cedar Bog Nature Preserve, OH 155
- Celastrus scandens*, as pest 29
- Celtis laevigata* endangered p. 80
- C. pallida* endangered p. 80
- cemetery prairies p. 60
- Cenchrus ciliaris* as pest species p. 80
- Center for Aquatic Plants 130
- channelization, effects on Kissimmee River p. 8
- chaparral ecosystems, articles on 45
- Chesterton, G.K. p. 21
- Chicago area prairie restoration p. 60
- Chrysanthemum leucanthemum*, used on landfill restoration 56
- Chrysopsis camporum*, seed used in soil test 5
- cider mill used in seed cleaning 103
- Circuit Rider Productions, Inc. 173
- Cirsium*, as pest species 66
- coastal dune restoration 132
- coastal plant communities 37.5, 131-138
- ecological resource management 37.7
- Coastal Zone '85*, proceedings of the Fourth Symposium on Coastal and Ocean Management 37
- Coeloglossum viride* 48
- Coleman, Richard p. 13
- Collecting, Processing and Germinating Seeds of Wildland Plants* 145
- colonization of Mars p. 56
- competition from exotics p. 77
- computer program used for standard species composition in reclaimed surface mined areas 59.1
- Condalia hookeri* endangered p. 80
- cone-tainer seedlings 1, 67
- Conservation Biology* 170
- Conservation Biology: The Science of Scarcity and Diversity*, book review p. 23
- Conservation of Tidal Marshes* 26
- Cooke, G.D. 32
- copper tailings reclamation 60.2
- Corallorhiza maculata* 48
- C. trifida* 48
- Coreopsis tripteris* p. 62
- Cornus* as pest species 96
- C. racemosa* p. 62
- C. stolonifera* 119
- Coronilla varia*, used on landfill restoration 56
- Cosmos sulfureus*, used on landfill restoration 56
- Costa Rica forest restoration p. 72
- Cottam, Grant p. 56
- counter technique for prairie plants p. 78
- cover crops used on restoration of prairie 99
- crabapple used as nesting site 68
- Crandon Project, WI 57
- Crane, M.F. 113
- creek system restoration 34, 124
- Creek Currents* 127
- cryptogamic soil crusts 143
- Crystal Cove State Park, CA 133
- Cumberland Island National Seashore, GA 15
- cybernetic, restoration p. 22
- cypress spurge, control of 6
- Cypripedium calceolus* 48
- C. passerinum* 48
- C. reginae* 47
- Daiber, Franklin C. 26
- Dayton-Montgomery County Park District p. 56
- Dayton Museum of Natural History, OH 66
- Delavan Lake: A Recovery and Management Study* 35
- Delphinium exaltatum*, recovery of 154
- design for rare and endangered species distribution 168
- Desmodium canadense* p. 62
- Diamond, Jared p. 20
- Dichanthelium lanuginosum* endangered 140
- Disneyland and nature p. 2
- Dodecatheon meadia* p. 62; unsuccessful on burned plot p. 79
- dredge canal restoration 20
- dredge spoils prairie restoration p. 77
- drill seeding 13
- drilling wastes conference 174
- dune restoration 40, 67, 77.3, 134
- dunes control shrubs 131
- eastern United States prairie restoration 94
- Echinacea*, used in prairie restoration 66
- Ecological Society of America meeting 93, 174
- Ecosystem Management: Rare Species and Significant Habitats 174
- Ecotypes: A Rejoinder p. 59
- Edscom, John, wrote and narrated slide show p. 14
- eelgrass, salvage of 135
- Ehretia anacua* endangered p. 80
- Eichhornia crassipes* p. 10
- Eleocharis macrostachya* 121
- Elymus canadensis*, seed used in prairie construction 7, 66, 98
- Encelia farinosa* 139
- Endangered Plant List for Ohio* 64
- endangered species p. 80; 37.6, 64, 107, 140, 140, 155, 168, 169
- Environmental Concern, Inc., MD 24
- Eragrostis curvula*, forest topsoil seed bank 11; used on landfill restoration 56
- Erigeron glaucus*, transplants 67
- Eriogonum fasciculatum* 139
- E. latifolium*, transplants 67
- Eriophyllum staechadifolium* 67
- Erosion Control, A Challenge in Our Time*, proceedings of International Erosion Control Association 39, 49-2, 58-2
- erosion control, western perennial grasses used 49.2
- erosion control association meeting 174
- erosion control by prairie species 8, 121, 162
- erosion control in mine reclamation 57
- Eryngium yuccifolium* p. 77

- Erysimum menziesii* endangered 134
Eupatorium hyssopifolium, effect of burning on 94
Euphilotes enopties endangered 134
Euphorbia cyparissias, control of 6
 evaluation of wetland restoration and mitigation 138.1
 Everglades National Park, FL p. 7
 exotic plants in wilderness areas 86.2
 exotic plants management survey 53
 exotic species and ecological ramifications 151
 exotics, competition from p. 80
- farm lease agreement in restoration projects p. 81
 fencing used in dune restoration 132
 Fermilab, prairie restoration p. 60
Festuca arundinacea, forest topsoil seed bank 11
 fire used to sterilize soil p. 79
 fire used in management of torrey pine 110
Fire Ecology of the Forest Habitat Types of Central Idaho 113
 fire history of sandhill prairie 104.2
Fire's Effects on Wildlife Habitat, proceedings 80
 Flatland Impressions, NE 1
 Florida Game and Fresh Water Fish Commission p. 11
 Florida Department of Environmental Regulation p. 11
 forbs introduction 10.10
 forest management, effects on nongame birds 18,81
 forest, notes 11-18, 112-118
 forest, mesic restoration 92
 forest patches, recreation of 70
 Fourth International Congress of Ecology 104,138,150
Fraxinus, control by girdling 51
Fraxinus berlandieriana endangered p. 80
F. pennsylvanica, plants used in woodland construction 7
Froelichia floridana establishment 46
 front-mounted combine used in prairie seed harvest p. 62
- Garden in the Woods, MA 47
Garden in the Woods Cultivation Guide 63
 gardens, imitation of nature p. 15
 general revegetation and management, notes on 65-89,154-166
Genesis p. 56
Geranium maculatum, plants used in prairie construction 7
Gerardia aspera, seed used in soil test 5
Geum triflorum seed planted on burned plots p. 79
 giant ragweed, pest in Nebraska creek bottom 8
 Gibson Woods Nature Preserve, IN 96
Gilia tenuiflora endangered 134
 girdling, pest species control technique 50,51
 Glacial Park Conservation Area, IL p. 66
 Glen Canyon National Recreation area, UT 13
 Godshalk, Clarence p. 69
Goodyera oblongifolia 48
G. repens 48
 Gore, James 33
 Graham, Bob p. 6
Grasses to Grizzly Bears 171
 grassland in boreal forests of Canada 10.4
 grassland restoration 95,100; seasonal variety 59.2
 gravel pit revegetation 157
 gray dogwood as pest p. 62
 grazing effects on prairie grasses 104.4
 Great Lakes restoration p. 76
Greening the City Symposium, proceedings of 62
 Greenway and Nature Center of Pueblo, CO 172
Grizzly Bear Habitat, proceedings 83-.1
Growing and Propagating Wildflowers p. 59
 Guanacaste National Park p. 72
 Gulf Coastal Plains, Mexico p. 80
- Habenaria blephariglottis* 47
 Hackensack Meadowlands Development Commission and Environmental Center, NJ 56
Hamamelis virginiana understory species 96
 Hamilton County Park District, OH 156
 hand cutting woody species 95,155
 handweeding of cypress spurge 6
 handweeding of live-forever 6
 handweeding of sweet clover 4
 handweeding as management tool p. 69; 66,91
Haplopappus ericoides, transplants 67
H. venatus 132
 hardwood regeneration 111
 Havenwoods Environmental Awareness Center, WI 92
 heaths, management of 41
 Heidegger, M. p. 59
Helianthus laetiflorus, seed used successfully in restoration 3
H. occidentalis, seed used in soil test 5
Heliopsis helianthoides, seed used successfully in restoration 3; seed used in soil test 5
 Hempstead Plains, NY 94
 herbicide used in pest control p. 78; 14,54,66,95,96,99,120
 herbicide used in prairie restoration 3,99
 herbivory and North American grasses 104.4
Hibiscus trionum 99
High Altitude Revegetation Workshop No. 7, proceedings 34,85
 holistic reclamation 60.2
 Howell, Evelyn p. 4
 Hoyt Farm Park Preserve, NY 29
 Huffman Prairie, OH p. 56
 human effect on natural areas 67,76,79

 legumes on nitrogen-poor soils 89
 Leonhardt Prairie, TX 10.2
 Leopold report p.2, p. 18
 Leopold Reserve, WI p. 77; 98
Lespedeza cuneata p. 62; forest topsoil seed bank 11; used on landfill restoration 56
L. stuevei, on nitrogen-poor soils 89
 levee, environmental design of 127
Liatris aspera, cone-tainer seedlings 1; seed unsuccessful in restoration 3; seed used in soil test 5
L. cylindracea, seed used in soil test 5
L. pycnostachya p. 62
L. spicata, seed used in prairie construction 7
Linaria macrocanna, used on landfill restoration 56
 Lincoln Creek Parkway, NE 8
 Linnie Marsh Wolfe p. 3
Linum grandiflorum, used in landfill restoration 56
L. sulcanum, seed used in soil test 5
Listera cordata 48

- Lithospermum canescens* seed planted on burned plots p. 79
live-forever, control of 6
Lobelia cardinalis, as successful transplant 29
Loftin, Kent p. 6
Lolium multiflorum, forest topsoil seed bank 11
Lonicera dioica understory species 96;
 japonica, information wanted 152
Lupinus albus, as food for butterflies 38
L. perennis seed planted on burned soil p. 79
Lythrum salicaria p. 62; 120; migration of 126
Maloy, Jack p. 7
Man and the Biosphere program p. 80; 12
management of exotic plants survey 53
maps of wetlands 128
Marina State Beach, CA 134
maritime heaths, an endangered species 37.6
McHenry County, IL prairie restoration p. 60
meadows, management of 42
meetings, upcoming 93,174
Melilotus alba, control of as pest species 4
M. officinalis, used on landfill restoration 56
Melospiza melodia 68
Mertensia virginica, plants used in prairie construction 7
metropolitan prairie restoration p. 60
Miller, Michael p. 63
Mine Drainage and Reclamation Conference 174
mine site rehabilitation 44.1,57,58,59,60,60.1-6
Minnesota Department of Natural Resources 3
Mojave Desert, CA 139
Monarda, used in prairie restoration 66
Monarda fistulosa, seed used successfully in restoration 3; seed used in soil test 5; plants used in woodland construction 7
Monson, Stephen B. 114.3
Moran, Eugene p. 2
Morton Arboretum, IL p. 60, p. 68
mountain pine beetle infestation 77.1
mowing, as grassland management technique 95
mowing, as periwinkle management technique 6
mowing, as sweet clover management technique 4
Muhlenbergia spp. exist in low-light 117.3
Mutter, Dave p. 56
mycorrhizae studies of orchids 48
mycorrhizal fungi produced by forbs p. 64
Myosotis laxa, as successful transplant 29
