ARCHIVAL COPY

Restoration & Management Notes

Vol. 1, No. 1

The problems encountered in the attempts at artificial establishment of natural plant communities have demonstrated the complexities of community integration in a way that no other experience could provide.

John T. Curtis
The Vegetation of Wisconsin

Restoration and Management Notes is published several times each year by the University of Wisconsin-Madison Arboretum, 1207 Seminole Highway, Madison, WI 53711. Phone (608) 263-7888. William R. Jordan, III, Editor. Editorial assistance by Keith Wendt and Virginia Kline.
