Ecological restoration for a healthy relationship between nature & culture.

SER is dedicated to promoting ecological restoration as a means of sustaining the diversity of life on Earth and re-establishing an ecologically healthy relationship between nature and culture.

The Society provides great opportunities for its members to network and to advance the science, practice and policy of ecological restoration.

Visit SER.org or email info@ser.org.

In this time of tightening budgets, some libraries are not renewing journal subscriptions, unless they hear from you.
If you find the articles you read in Ecological Restoration valuable, please take a moment to tell your library by filling out this library recommendation form, or accessing it online at:

http://uwpress.wisc.edu/journals/pdfs/lib-form.pdf

I recommend that the library subscribe to Ecological Restoration.
