GET CERTIFIED

With SER's Certified Ecological Restoration
Practitioner (CERP) Program

**Apply to the Society for Ecological Restoration's CERP program and stand out as a
certified expert in the field of ecological restoration.**

Certification with the CERP program demonstrates to prospective employers, clients,
and collaborators that practitioners have a strong background in the biological and
physical sciences, hands-on restoration skills, and a commitment to continuing
education, making them more competitive in their careers and helping them to stand
out as leaders in the field of restoration.
